

Medical Council Malta

Date: 14th October 2025

Circular 02/2025

To All Medical & Dental Professionals

Subject: **Launch of New Online System**

We are pleased to inform you that the Medical Council Malta has launched a **new online system**.

As part of this transition, please note the following important updates:

Change in Banking Details

The Council's banking details have changed. If you currently have a **standing order** in place for the **Annual Retention Fee**, we kindly ask that you **cancel it**.

Going forward, payments should be made **securely via credit card** through the Council's **online portal**.

Important:

Please **do not** make payments via **REVOLUT**, **cash**, **cheque**, or any other method. Only payments made through the official portal will be accepted.

Email as Primary Communication

Email will become the **standard format of communication**. We encourage all registered professionals to ensure their email address is up to date with the Council.

E-ID Login and Self-Service Features

The new portal enables you to **log in using your E-ID/Custom Authentication** and directly manage your personal information, including updates to your surname, email address, residential address, and other contact details.

Access for registered professionals who do not hold a Maltese E-Id account:

Registered professionals who do not have an E-ID account are kindly requested to click on the 'Login with custom authentication' button and press on reset password. Enter the email address on which you received this circular and input a new password. If you have any issues, contact the Medical Council but **DO NOT** create a new profile for any reason.

We appreciate your cooperation during this transition and look forward to offering you a more efficient and user-friendly experience.

Should you have any questions or require assistance, please do not hesitate to contact us.
